Re: Notice of File Closure for Small Mining Activities, Oro #17 and Oro #20, S/019/022, Grand County, Utah

Dear Mr. Adams:

This letter is to notify you that file #S/019/022, for the Oro #17 and Oro #20 project, located in the SW1/4 SW1/4 of Section 25, T25S, R23E, Grand County, Utah, will be retired from our files.

We were informed by the BLM that this project had never been permitted with them. Testing only was performed at this site prior to dropping the claims. The BLM subsequently closed out their file for this project in response to your 4/21/93 request for closure. Because this project is located on BLM managed lands, we will accept the BLM's recommendation and close our file accordingly. You are hereby released from further mining or reclamation responsibility at this site. You will not have to pay the \$100.00 permit fee as requested in the billing statement which was sent to you. If you wish to conduct any future mining related activity in this area, you will have to submit a new notice to the appropriate agency, pay the Division permit fees, and receive written approval prior to creating any disturbance.

If you have any questions or concerns regarding this action, please contact me at (801) 538-5267.

Sincerely,

A handwritten signature in cursive script, reading 'Anthony A. Gallegos'.
